GENERAL INFORMATION

SERVICES

STAFF

DREAM Home Health Care provides medical care and support services for people with an illness or injury while recovering at home.

Our staff of professionals will work with your doctor to design a care program specific to your individual needs. We offer:

- Cost effective services outside of a hospital or board and care setting
- Faster recovery time, in the security and comfort of your own home
- The safety of knowing you will have convenient, regularly scheduled visits from licensed and screened medical professionals

In most cases, the cost of your care is covered by Medicare, Medicaid, and private insurance.
